## Monthly Newsletter

### Happy New School Year from LCS

We are thrilled to share the 2023-24 projects and programs you have made possible! 47 students and 12 staff members started this year's journey - more participants than ever before. We are offering eight new project-based courses, including Global Memoirs, World Religions, and Chemistry. Our building has newly tiled floors and freshly painted murals as well as extra student-centered learning spaces such as a Math Resource Center, Arts & Crafts Studio, and Science Lab. The expansion of our alternative education program, made possible by a renovation in our upstairs space, is underway. We aim to open our program to 60 students next year! Your support makes all of these initiatives possible.

We are starting an indoor garden to feed and uplift our students! Donate plants and grow lights to join this NEW project!

### New Opportunities for Students

- Personalized Math*: Small groups of students will form learning communities to strengthen skills in math enrichment classes using alternative teaching methods.
- Extracurriculars*: Positive school culture, student recognition, and vocational experiences will be highlighted during this daily community time.
- Field Trips*: Semester 1 trips include St-Gaudens National Historic Park, ECHO Leahy Center at Lake Champlain, Flume Gorge, Storr's Pond Recreation Area, and Mink Brooke Nature Preserve.

### Get Involved!

Make an impact in our students' lives; share a skill or experience, host a field trip or job shadow, provide professional services, substitute teach, donate items for our silent auction, plan a fundraising event, or start a school committee. We are working hard to actively engage the community we serve. Reach out today to join our educational program!

**Send donations to:** Ledyard Charter School, 39 Hanover Street, PO Box 327, Lebanon NH 03766

# Thank You for Your Support!

## Make a Difference!

We are dedicated to expanding our program and giving more students access to an individualized education. We are the only charter high school in the Upper Valley and the demand from local families and sending districts is high - more than we have the space to accommodate. We pledge to work tirelessly gathering resources to complete our upstairs renovation and open our doors to every student who wants a hands-on learning experience.

## Where do LCS Students Live?

Lebanon, Enfield, Canaan, Grantham, Claremont, Newport, Sunapee, Springfield, Hanover, and Hartland VT

## Donor Recognition

You make it possible for us to care for the whole person, to accommodate diverse learning styles, and to equip students with the tools for life. Your support has empowered our teachers to passionately educate, it has paid for meals for our food insecure students, and it allows us to improve and expand everything we do. We are proud to announce that we are creating physical and virtual benefactor walls identifying those who have allowed us to thrive.

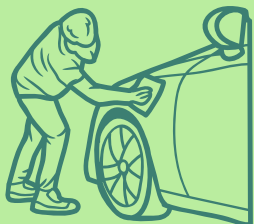

See if your employer participates in a matching gift program!

## Car Wash!

Friday, Sept. 8th  
1-4pm

39 Hanover Street  
Lebanon, NH 03766

## Community Events

This year we will prioritize student-led community events as part of our new Event Planning class, including open houses, fundraisers, craft fairs, performances, and more! Let us wash your car this month and be on the lookout for invitations and announcements about future events!

Thank you for being a valued part of our community!
