

Parent Notification/Right to Know Letter

Dear Parent/Guardian,

As part of our commitment to providing your child with the best education possible, we would like to inform you of your right to know the qualifications of your child's teachers and paraprofessionals. The Elementary and Secondary Education Act (ESEA), section 1112(e)(1)(A)-(B) requires that school districts provide this information upon request.

If you would like to request information about the qualifications of your child's teachers or paraprofessionals, please contact Ledyard Charter School to make the request. We will provide you with the following information within a reasonable amount of time:

- Whether the teacher has met state certification requirements for the grade level and subject areas in which the teacher provides instruction.
- Whether the teacher is teaching under an emergency or other provisional status.
- The teacher's college major and any advanced degrees.
- The qualifications of paraprofessionals who provide services to your child.

Additionally, we would like to inform you that Ledyard Charter School is committed to providing your child with highly qualified teachers and paraprofessionals who are dedicated to helping them succeed. Our teachers are knowledgeable and experienced, and regularly participate in professional development to improve their skills.

Thank you for your continued support of Ledyard Charter School. If you have any questions or concerns, please do not hesitate to contact us.
